

DEPARTMENT OF LICENSING AND REGULATORY AFFAIRS

DIRECTOR'S OFFICE

DENTISTRY - GENERAL RULES

(By authority conferred on the director of the department of licensing and regulatory affairs by sections 2226, 16145, 16215(6), 16625, and 16644 of 1978 PA 368, MCL 333.2226, 333.16145, 333.16215(6), 333.16225, and 333.16644, and Executive Reorganization Order Nos. 1996-1, 1996-2, 2003-1, and 2011-4, MCL 330.3101, 445.2001, 445.2011, and 445.2030)

PART 1. GENERAL PROVISIONS

R 338.11101 Definitions.

Rule 1101. As used in these rules:

(a) "Analgesia" means the diminution or elimination of pain in the conscious patient as a result of the administration of an agent including, but not limited to, local anesthetic, nitrous oxide, and pharmacological and non-pharmacological methods.

(b) "Approved course" means a course offered by either a dental, dental hygiene, or dental assisting program accredited by the commission on dental accreditation of the American dental association and approved by the department, or as defined in section 16611 of the code.

(c) "Assistant" means a nonlicensed person who may perform basic supportive procedures under the supervision of a dentist as provided in these rules.

(d) "Board" means the Michigan board of dentistry.

(e) "Conscious sedation" means a minimally depressed level of consciousness that retains a patient's ability to independently and continuously maintain an airway and respond appropriately to physical stimulation or verbal command and that is produced by a pharmacological or a non-pharmacological method or a combination of both.

(f) "Code" means 1978 PA 368, MCL 333.1101 to 333.25211.

(g) "Combination inhalation-enteral conscious sedation" means conscious sedation using inhalation and enteral agents. Nitrous oxide/oxygen when used in combination with sedative agents may produce conscious or deep sedation or general anesthesia.

(h) "Dental school" means an institution that offers a curriculum that provides a core of required dental education, training, and experience, and includes at least 4 years of academic instruction or its equivalent leading to the degree of doctor of dental surgery or doctor of dental medicine. The dental school is a component of an institution of higher education that is accredited by an agency recognized by the United States department of education and that the American dental association's commission on dental accreditation has accredited as a dental education program.

(i) "Dentist" means a person licensed by the board under the code and these rules.

(j) "Department" means the department of licensing and regulatory affairs.

(k) “Enteral” means any technique of administration in which the agent is absorbed through the gastrointestinal or oral mucosa.

(l) “General anesthesia” means the elimination of all sensations accompanied by a state of unconsciousness and loss of reflexes necessary to maintain a patent airway.

(m) “Licensed” means the possession of a full license to practice, unless otherwise stated by the code or these rules.

(n) “Local anesthesia” means the elimination of sensation, especially pain, in one part of the body by the topical application or regional injection of a drug.

(o) “Office” means the building or suite in which dental treatment is performed.

(p) “Parenteral” means a technique of administration in which the drug bypasses the gastrointestinal (gi) tract, such as intramuscular (im), intravenous (iv), intranasal (in), submucosal (sm), subcutaneous (sc), and intraocular (io).

(q) “Patient of record” means a patient who has been examined and diagnosed by a licensed dentist and whose treatment has been planned by a licensed dentist.

(r) “Public health service” means the United States public health service. A person applying for an exemption under this classification shall submit a certified copy of his or her official papers verifying active duty status.

(s) “Registered dental assistant” means a person licensed as such by the board under the code and these rules. A dental hygienist may perform the functions of a registered dental assistant if he or she is licensed by the board as a registered dental assistant.

(t) “Registered dental hygienist” means a person licensed as such by the board under the code and these rules.

(u) “Second pair of hands,” as used in R 338.11109, means acts, tasks, functions, and procedures performed by a dental assistant, registered dental assistant, or registered dental hygienist at the direction of a dentist who is in the process of rendering dental services and treatment to a patient. The acts, tasks, functions, and procedures performed by a dental assistant, registered dental assistant, or registered dental hygienist are ancillary to the procedures performed by the dentist and intended to provide help and assistance at the time the procedures are performed. This definition shall not be deemed to expand the duties of the dental assistant, registered dental assistant, or registered dental hygienist as provided by the code and rules promulgated by the board.

(v) “Sedation” means the calming of a nervous, apprehensive individual, without inducing loss of consciousness, through the use of systemic drugs. Agents may be given orally, parenterally, or by inhalation.

(w) “Titration” means the administration of small incremental doses of a drug until a desired clinical effect is observed. In accordance with this definition, titration of oral medication for the purposes of sedation is unpredictable. Repeated dosing of orally administered sedative agents may result in an alteration of the state of consciousness beyond the intent of the practitioner. The maximum recommended dose (mrd) of an oral medication shall not be exceeded. Facilities, personnel, and standards for enteral sedation are the same as those for parental sedation.

(x) “Treatment room” means the particular room or specific area in which the dental treatment is performed upon a patient.

R 338.11117 Violations of the act.

Rule 1117. All of the following activities are violations of the act:

(a) Abandonment of dental treatment of a patient of record without advising the patient of the necessity of immediate dental or medical treatment when needed and without advising the patient to seek treatment from another health professional is a violation of section 16221(a) of the act.

(b) Performance of dental treatment without the patient's express or implied consent or the express or implied consent of the patient's guardian is a violation of section 16221(a) of the act.

(c) Practicing or offering to practice professional responsibilities which the licensee knows or has reason to know he or she is not competent to perform is a violation of section 16221(a) and (b)(i) of the act.

(d) Practicing or offering to practice, without adequate supervision, professional services which the licensee is authorized to perform only under the supervision of a licensed dentist as provided for in these rules, except in an emergency situation where a

person's life or health is in immediate danger, is a violation of section 16221(a) and (b)(i) of the act.

(e) Delegating or assigning professional responsibilities to a person when the licensee delegating or assigning such responsibilities knows or has reason to know that such person is not qualified by training, by experience, or by licensure to perform them is a violation of section 16221(a) and (b)(i) of the act.

(f) Failure to be present in the office as needed to supervise, or failure to provide needed level of supervision of, the work of an assistant, registered dental assistant, registered dental hygienist, or other employee not licensed as a dentist under the act is a violation of section 16221(a) of the act.

(g) Failure to provide the same level of emergency care at all offices or facilities is a violation of section 16221(a) of the act.

(h) It shall be deemed a violation of section 16221(c)(ii) of the act if a dentist allows his or her license to be used by a person who is unlawfully engaged in the practice of dentistry. "Person," as used in this rule, is defined in section 1106 of the act.

PART 2. LICENSURE

R 338.11201 Licensure by examination to practice dentistry; graduates of schools in compliance with board standards.

Rule 1201. An applicant for dentist licensure by examination shall submit a completed application on a form provided by the department, together with the requisite fee. In addition to meeting the requirements of the code and administrative rules promulgated under the code, an applicant for dentist licensure by examination shall meet all of the following requirements:

(a) Graduate from a dental school that is in compliance with the standards in R 338.11301.

(b) Pass all parts of the national board examination that is conducted and scored by the joint commission on national dental examinations in order to qualify for the licensing examination provided in subdivision (c) of this rule. The requirement does not apply to applicants who have graduated before 1950.

(c) Pass a dental simulated clinical written examination that is conducted and scored by the northeast regional board of dental examiners, incorporated, or a successor organization, and 1 of the following:

(i) Pass all parts of a clinical examination that is conducted and scored by the northeast regional board of dental examiners, incorporated, or a successor organization, or pass all parts of a clinical examination that is conducted by a regional testing agency that is approved by the board.

(ii) Pass all parts of a clinical examination developed and scored by a state or other entity and that is substantially equivalent, as provided in R 338.11203(5), to the

clinical examination of the north east regional board of dental examiners, incorporated, or a successor organization.

History: 1984 AACCS; 1989 AACCS; 1997 AACCS; 2006 AACCS.

R 338.11202 Licensure to practice dentistry; graduates of school not meeting board standards; requirements.

Rule 1202. An individual who graduated from a school of dentistry that does not comply with the standards provided in R 338.11301 may be licensed by the board if the individual meets all of the following requirements:

(a) Complies with section 16174 of the act.

(b) Presents to the board a final, official transcript establishing graduation from a school in which he or she has obtained a dental degree. If the transcript is issued in a language other than English, an original, official translation shall also be submitted.

(c) Meets one of the following requirements:

(i) Successfully completes a minimum 2-year program in dentistry in a dental school that complies with the standards in R 338.11301 and that leads to the awarding of a doctor of dental surgery (dds) or doctor of dental medicine (dmd) degree. The completion of the program shall be confirmed by the dean of the school attended or official transcripts from the dental school.

(ii) Successfully completes a minimum 2-year master's degree or certificate program in a dental school that complies with the standards in R 338.11301 and that leads to the awarding of a degree or certificate from a dental specialty program that complies with the standards in R 338.11501 and R 338.11503(b) and (c).

(d) Passes all parts of the national board examination that is conducted and scored by the joint commission on national dental examinations.

(e) Passes the dental simulated clinical written examination and a clinical examination, as described in R 338.11201(c).

History: 1989 AACCS; 1997 AACCS; 2006 AACCS.

R 338.11203 Dental examinations; required passing scores.

Rule 1203. (1) The board approves and adopts the examination developed and scored by the joint commission on national dental examinations. An applicant shall present evidence of passing each component of the examination with a converted score of not less than 75.

(2) The board approves and adopts the dental simulated clinical written examination developed and scored by the north east regional board of dental examiners, incorporated, or a successor organization. An applicant shall present evidence of passing each component of the examination with a converted score of not less than 75.

(3) The board approves and adopts the clinical examination developed and scored by the north east regional board of dental examiners, incorporated. A passing score on the clinical examination shall be the score recommended by the north

east regional board of dental examiners, incorporated, or its successor organization. In no case shall the applicant present evidence of less than a converted score of 75 on each component of the examination.

(4) The board approves and adopts the clinical examinations of other regional testing agencies or state boards if the examinations are considered to be substantially equivalent to the clinical examination of the north east regional board of dental examiners, incorporated. A passing

score on the clinical examination shall be the score recommended by the sponsoring organization. In no case shall the applicant present evidence of less than a converted score of 75 on each component of the examination.

(5) To determine substantial equivalency as specified in subrule (4) of this rule, the board shall consider factors such as the following:

- (a) Subject areas included.
- (b) Detail of material.
- (c) Comprehensiveness.
- (d) Length of an examination.
- (e) Degree of difficulty.

(6) To demonstrate substantial equivalency as specified in subrule (4) of this rule, an applicant may be required to submit, or cause to be submitted, materials such as the following:

(a) A copy of the examination booklet or description of the examination content and examination scores issued by the testing agency.

(b) An affidavit from the appropriate state licensing agency that describes the examination and sets forth the legal standards which were in effect at the time of the examination.

(c) An affidavit from a state licensing board or examination agency that describes the examination.

R 338.11255 Licensure by endorsement of dentist; requirements.

Rule 1255. (1) An applicant for licensure by endorsement shall submit a completed application on a form provided by the department, together with the requisite fee. In addition, an applicant shall meet the requirements of the act and administrative rules promulgated under the act.

(2) An applicant who was first licensed in another state is presumed to have met the requirements of section 16186 of the act if he or she meets all of the following requirements:

(a) Graduated from a dental school that meets the standards in R 338.11301 and provides for the school to submit original, official transcripts of professional education and documentation of graduation for board evaluation.

(b) Passed all phases of the national board examination for dentists, in sequence. This requirement is waived for persons who graduated from an accredited school before 1950.

(c) Verification of his or her license, on a form supplied by the department, by the licensing agency of any state in which the applicant holds a current license or ever held a license as a dentist, which includes, but is not limited to, showing proof of any disciplinary action taken or pending disciplinary action imposed on the applicant.

(d) Show proof of successful completion of 1 of the regional examinations as described in R 338.11203(2), (3), and (4). This requirement is waived for individuals who were licensed initially in another state before 2002 and who were not required to complete any regional examination as part of the initial licensing process as confirmed by the state in which the initial license was awarded.

(e) If an applicant was licensed as a dentist in another state that required the successful completion of a regional examination and the applicant has been practicing for a minimum of 5 years immediately preceding the application for licensure in Michigan, it is presumed that the applicant meets the requirements of subrule (2)(a), (b), and (d) of this rule.

(f) If an applicant is licensed as a dentist in another state that does not require the successful completion of a regional examination and the applicant has been practicing for a minimum of 5 years immediately preceding the application for licensure in Michigan, it is presumed that the applicant meets the requirements of subrule (2)(a) and (b) of this rule.

(3) The board may deny an application for licensure by endorsement upon finding the existence of a board action in any other state for a violation related to applicable provisions of section 16221 of the act or upon determining that the applicant does not fulfill the requirements of section 16186 of the act.

R 338.11259 Licensure by endorsement of dental hygienists; requirements.

Rule 1259. (1) An applicant for licensure by endorsement shall submit a completed application on a form provided by the department, together with the requisite fee. In addition, an applicant shall meet the requirements of the code and administrative rules promulgated under the code.

(2) An applicant who was first licensed in another state is presumed to have met the requirements of section 16186 of the act, if he or she meets all of the following requirements:

(a) Graduated from a dental hygiene school that meets the standards provided in R 338.11303 and provides for the school to submit original, official transcripts of professional education and documentation of graduation for board evaluation.

(b) Passed all phases of the national board examination for dental hygienists. This requirement is waived for persons who graduated from an accredited school before 1962.

(c) Verification of his or her license, on a form supplied by the department, by the licensing agency of any state of the United States in which the applicant holds a current license or ever held a dental hygienist license which includes, but is not limited to, showing proof of having no record of final or pending disciplinary action against the applicant.

(d) Show proof of successful completion of a substantially equivalent written and clinical examination under R 338.11223(2), (3), and (4). This requirement is waived for individuals who were licensed initially in another state of the United States before 2002 and who were not required to complete any regional examination as part of the initial licensing process as confirmed by the state of the United States in which the initial license was awarded.

(e) If an applicant was licensed as a dental hygienist in another state that requires the successful completion of a regional examination and the applicant has been practicing for a minimum of 3 years immediately preceding the application for licensure in Michigan, it is presumed that the applicant meets the requirements of subrule (2)(a), (b), and (d) of this rule.

(f) If an applicant is licensed as a dental hygienist in another state that does not require the successful completion of a regional examination and the applicant has been practicing for a minimum of 3 years immediately preceding the application for licensure in Michigan, it is presumed that the applicant meets the requirement of subrule (2)(a) and (b) of this rule.

(3) The board may deny an application for licensure by endorsement upon finding the existence of a board action in any other state of the United States for a violation related to applicable provisions of section 16221 of the act or upon determining that the applicant does not fulfill the requirements of section 16186 of the act.

R 338.11261 Licensure by endorsement of registered dental assistants; requirements.

Rule 1261. (1) An applicant for licensure by endorsement shall submit a completed application on a form provided by the department, together with the requisite fee. In addition, an applicant shall meet the requirements of the act and administrative rules promulgated under the act.

(2) An applicant who was first licensed or registered in another state for performance of expanded functions as described in R 338.11405 and R 338.11405(a) is presumed to have met the requirements of section 16186 of the act, if he or she meets all of the following requirements:

(a) Graduated from a dental assisting school that meets the standards provided in R 338.11307 and provide for the school to submit original, official transcripts of professional education and documentation of graduation for board evaluation.

(b) Passed the Michigan registered dental assistant licensing examination or show proof of successful completion of a substantially equivalent written and clinical examination as specified under R 338.11239. To determine substantial equivalency, the board shall consider factors such as the following:

(i) Subject areas included.

- (ii) Detail of material.
- (iii) Comprehensiveness.
- (iv) Length of examination.
- (v) Degree of difficulty.

(c) To demonstrate substantial equivalency as specified in subdivision (b) of this subrule, the applicant may be required to submit or cause to be submitted such materials as the following:

(i) A certified copy of the examination.

(ii) An affidavit that describes the examination and sets forth the legal standards which were in effect at the time of the examination. The affidavit shall be issued by an official who is responsible for the state agency that administered the examination.

(iii) An affidavit that describes the examination and that was issued by an official with a state society or another organization that administered the examination.

(iv) Other credible evidence.

(d) Verification of his or her license, on a form supplied by the department, by the licensing agency of any state in which the applicant holds a current license or ever held a license for performance of expanded functions which includes, but is not limited to, showing proof of any disciplinary action taken or pending disciplinary action against the applicant.

(3) A dental assistant who does not fulfill the requirements of subrule (2) of this rule shall not be eligible for licensure by endorsement in this state and shall comply with the provisions of R 338.11235.

(4) The board may deny an application for licensure by endorsement upon finding the existence of a board action in any other state of the United States for a violation related to applicable provisions of section 16221 of the act or upon determining that the applicant does not fulfill the requirements of section 16186 of the act.

History: 1989 AACCS; 2006 AACCS; 2011 AACCS.

R 338.11267 Licensure of specialty by endorsement; requirements.

Rule 1267. (1) A dentist applying for licensure of a specialty by endorsement shall hold a current Michigan dental license and shall comply with section 16186 of the act and all of the following requirements:

(a) Have graduated from a program in the specific specialty which meets the standards provided in R 338.11301 and submit original, official transcripts of professional education and documentation of graduation for board evaluation.

(b) Verification of his or her license, on a form supplied by the department, by the licensing agency of any state in which the applicant holds a current specialty license or ever held a specialty license, which includes, but is not limited to, showing proof of any disciplinary action taken or pending disciplinary action imposed on the applicant.

(c) Show proof of diplomate status in the appropriate American board specialty examination or successful completion of a substantially equivalent clinical and written examination in the applicant's specialty. The board shall request the review of the applicant's examination documentation by representatives of the relevant specialty association or through the council of Michigan dental specialties. The specialty representative shall provide a

statement to the board regarding the equivalence of the examination in comparison to the board approved examination for that specialty.

(2) To determine substantial equivalency as specified in subrule (1)(c) of this rule, the board shall consider such factors as the following:

- (a) Subject areas included.
- (b) Detail of material.
- (c) Comprehensiveness.
- (d) Length of the examination.
- (e) Degree of difficulty.

(3) To demonstrate substantial equivalency as specified in subrule (1)(c) of this rule, the applicant may be required to submit or cause to be submitted such materials as the following:

(a) A certified copy of the examination.

(b) An affidavit from the responsible official of the appropriate state agency describing the examination and setting forth the legal standards which were in effect at the time of the examination.

(c) An affidavit describing the examination from the responsible official within a state society or another organization with knowledge of the examination.

(d) Other credible evidence.

(4) A dentist who does not fulfill the requirements of subrule (1) of this rule shall not be eligible for licensure by endorsement in this state and shall be required to take the Michigan examination in the specific specialty as described in part 5 of these rules.

(5) The board may deny an application for licensure by endorsement upon finding the existence of a board action in any other state for a violation related to applicable subdivisions of section 16221 of the act or upon determining that the applicant does not fulfill the requirements of section 16186 of the act.

PART 4. DELEGATION, SUPERVISION, ASSIGNMENT

R 338.11401 Definitions.

Rule 1401. As used in this part:

(a) "Assignment" means that a dentist designates a patient of record upon whom services are to be performed and describes the procedures to be performed. Unless assignment is designated in these rules under general or direct supervision, the dentist need not be physically present in the office at the time the procedures are being performed.

(b) "Delegation" means an authorization granted by a licensee to a licensed or unlicensed individual to perform selected acts, tasks, or functions that fall within the scope of practice of the delegator and that are not within the scope of practice of the delegatee and that, in the absence of the authorization, would constitute illegal practice of a licensed profession.

(c) "Direct supervision" means that a dentist complies with all of the following:

(i) Designates a patient of record upon whom the procedures are to be performed and describes the procedures to be performed.

(ii) Examines the patient before prescribing the procedures to be performed and upon completion of the procedures.

(iii) Is physically present in the office at the time the procedures are being performed.

(d) "General supervision" means that a dentist complies with both of the following:

(i) Designates a patient of record upon whom services are to be performed.

(ii) Is physically present in the office at the time the procedures are being performed.

History: 1984 AACCS; 1998-2000 AACCS; 2014 AACCS.

PART 5. SPECIALTIES

R 338.11501 Specialties; recognition by the board.

Rule 1501. (1) The board recognizes all of the following branches of dentistry as specialties:

- (a) Oral and maxillofacial surgery.
- (b) Orthodontics or orthodontics and dentofacial orthopedics.
- (c) Prosthodontics.
- (d) Periodontics.

- (e) Pediatric dentistry.
- (f) Endodontics.
- (g) Oral pathology or oral and maxillofacial pathology.

(2) Each dental specialty recognized by the board is identified by the definition of each specialty as stated in these rules, and by the standards set forth by the commission on dental accreditation under R 338.11301.

History: 1984 AACCS; 1994 AACCS; 2011 AACCS.

R 338.11503 Eligibility to qualify for state board specialty examination; exception.

Rule 1503. (1) To be eligible to take the state board specialty examination, an applicant shall comply with all of the following requirements:

- (a) Possess a current license to practice dentistry in this state.
- (b) Fulfill the requirements in these rules for that specialty.
- (c) Submit evidence of completion or anticipated completion within 90 days of the examination date from the dean or hospital administrator of a graduate program of dentistry that is approved by the board under R 338.11301.
- (d) Submit a completed application on a form provided by the department, together with the requisite fee, not less than 45 days before the examination.

(2) An applicant for licensure in oral and maxillofacial surgery, oral pathology, pediatric dentistry, or prosthodontics is not required to take a state board specialty examination.

History: 1984 AACCS; 1994 AACCS; 2011 AACCS; 2014 AACCS.

R 338.11505 Specialty licensure; general requirements.

Rule 1505. An applicant for a specialty license shall comply with all of the following requirements:

(a) Submit a final official transcript of dental postgraduate training from a graduate program of dentistry approved by the board under R 338.11301 or, in the case of a hospital program that does not issue transcripts, certification by the hospital administrator or other official of the satisfactory completion of the program.

(b) Except as provided in R 338.11503(2), secure a minimum converted score of 75 in the state board examination in the specific specialty under these rules. Submission of verification that an applicant for specialty licensure has successfully passed the American board written examination is satisfactory compliance with the requirement for the written portion of the state board examination for licensure in Michigan for the applicant's specialty.

(c) The provisions of subdivision (b) of this rule are waived if the applicant has provided satisfactory evidence of the successful completion of either of the following:

(i) Diplomate status in the appropriate American board specialty association through completion of the American board specialty examinations.

(ii) An examination deemed substantially equivalent to the Michigan examination as provided in R 338.11267.

History: 1984 AACCS; 1989 AACCS; 1994 AACCS; 2011 AACCS; 2014 AACCS.

R 338.11507 Examination failure; candidate for licensure as specialist.

Rule 1507. (1) An applicant who has failed a Michigan specialty licensure examination may apply for reexamination.

(2) An applicant who fails to pass the examination upon the first attempt shall be given credit for the subjects passed and may take the examination a second time. Credits given for subjects passed shall apply to the second attempt only provided it is taken within 18 months of the date of notification of failure.

(3) If the applicant fails to pass the examination on the second attempt, the applicant shall, on any subsequent attempt, take the entire examination.

(4) If the applicant is unsuccessful on the second attempt, the applicant shall comply with R 338.11509.

(5) If the applicant is unsuccessful on the third attempt, the applicant may not retake the examination for 1 year and shall comply with R 338.11511.

History: 1984 AACCS; 2011 AACCS.

R 338.11509 Dental specialty licensure candidate failing examination twice; requirements before reexamination.

Rule 1509. Any candidate for licensure as a dental specialist who sustains 2 successive failures in a Michigan specialty examination shall present evidence of additional education in the area in which the failure occurred. The additional education shall consist of a minimum of 40 clock hours of board-approved clinical instructions, which shall be both didactic and practical, shall be in a dental program or hospital approved by the board, and shall be completed subsequent to the date of the last examination failed. A proposed plan shall be submitted for approval by the board or board designee before starting the additional education. The additional education shall be satisfactorily completed as evidenced by certification by the program dean or designated appointee.

R 338.11525 Specialists; holding self out to public.

Rule 1525. (1) A dentist who is not licensed as a specialist by the board shall not announce or hold himself or herself out to the public as limiting his or her practice to, as being specially qualified in, or as giving special attention to, a branch of dentistry. A dentist is considered to be holding

himself or herself out as a specialist in either of the following situations:

(a) When, in any way, he or she gives public emphasis to the practice of some particular specialty of dentistry without disclosing that he or she is a dentist who is not licensed as a specialist.

(b) When he or she identifies himself or herself with a specialty, whether or not he or she claims special attention to, or a practice limited to, the specialty or if he or she employs the use of signs, professional cards, letterheads, other listings, or letters to the public or the profession which, in any way, implies special knowledge or ability in a specialty. This subdivision does not apply to specialists who are advertising in the specialty for which they are licensed. For purposes of this subrule, a specialist who advertises services in an area other than his or her specialty is considered a general dentist and shall comply with the provisions of subdivision (a) of this subrule.

(2) A dentist who is licensed as a specialist shall include his or her license number in all public advertisements for that specialty, including, but not limited to, telephone books, solicitations, print media, newspapers, and internet advertising.

(3) Identification as an employer, employee, or partner, with an individual who is duly licensed as a specialist by the board constitutes announcement to the public of qualifications for specialization, unless the individual so associating himself or herself publicly states, by signs, cards, or announcements, that he or she is engaged in the practice of general dentistry or the practice of some other specialty of dentistry in which he or she is duly licensed.

History: 1984 AACCS; 1994 AACCS; 2011 AACCS.

R 338.11527 Dental license suspension or revocation; automatic suspension or revocation of specialty licensure.

Rule 1527. The suspension or revocation of the dental license of a dentist shall automatically cause the suspension or revocation of a specialty licensure issued to that dentist under the act and these rules.

PART 6. GENERAL ANESTHESIA AND INTRAVENOUS CONSCIOUS SEDATION AND ENTERAL SEDATION

R 338.11601 General anesthesia; conditions; violation.

Rule 1601. (1) A dentist shall not administer general anesthesia to a dental patient or delegate and supervise the performance of any act, task, or function involved in the administration of general anesthesia to a dental patient, unless all of the following conditions are satisfied:

(a) The dentist has completed a minimum of 1 year of advanced training in general anesthesia and pain control in a program which meets the standards adopted in R 338.11603(1). This subdivision takes effect 1 year after the effective date of this amendatory rule.

(b) The dentist and the delegatee, if any, maintain current certification in basic and advanced cardiac life support from an agency or organization that grants such certification pursuant to standards substantially equivalent to the standards adopted in R 338.11603(3).

(c) The facility in which the anesthesia is administered meets the equipment standards adopted in R 338.11603(4).

(d) The dentist shall be physically present with the patient who is given any general anesthesia until he or she regains consciousness and the dentist shall remain on the premises until such patient is capable of being discharged.

(2) A dentist who does not meet the requirements of subrule (1) of this rule shall not offer general anesthesia services for dental patients unless all of the following conditions are met:

(a) General anesthesia services are directly provided through association with, and by, either of the following individuals:

(i) A physician who is licensed under the provisions of part 170 or 175 of the act and who is a member in good standing on the anesthesiology staff of a hospital accredited by the joint commission on accreditation of hospitals.

(ii) A dentist who meets the requirements of subrule (1)(a) and (b) of this rule.

(b) A person who administers anesthesia, as authorized by the provisions of subdivision (a) of this subrule, shall be physically present with the patient who is given any general anesthesia until he or she regains consciousness and the dentist shall remain on the actual premises where the general anesthesia is administered until the patient anesthetized is capable of being discharged.

(c) The provisions of subrule (1)(b) and (c) of this rule shall be complied with.

(3) A dentist is in violation of section 16221(1)(g) of the act if he or she administers general anesthesia to a dental patient or delegates and supervises the performance of any act, task, or function involved in the administration of general

anesthesia to a dental patient or offers general anesthesia services for dental patients without being in compliance with subrules (1) and (2) of this rule.

History: 1990 AACCS; 2011 AACCS.

R 338.11602 Intravenous conscious sedation; conditions; violations.

Rule 1602. (1) A dentist shall not administer intravenous conscious sedation to a dental patient or delegate and supervise the performance of any act or function involved in the administration of intravenous conscious sedation to a dental patient unless 1 of the following conditions is satisfied:

(a) The dentist complies with R 338.11601(1) or (2).

(b) The dentist complies with both of the following provisions:

(i) The dentist has completed a minimum of 60 hours of training in intravenous conscious sedation and related academic subjects, including a minimum of 40 hours of supervised clinical instruction in which the individual has sedated not less than 20 cases in a course that is in compliance with the standards adopted in R 338.11603(2).

(ii) The dentist and the delegatee, if any, maintains current certification in basic or advanced cardiac life support from an agency or organization that grants such certification under standards substantially equivalent to the standards adopted in R 338.11603(3).

(c) The facility in which the anesthesia is administered complies with the equipment standards adopted in R 338.11603(4).

(2) A dentist is in violation of section 16221(1)(g) of the act if he or she administers intravenous conscious sedation to a dental patient or delegates and supervises the performance of any act, task, or function involved in the administration of intravenous conscious sedation to a dental patient without complying with the provisions of subrule (1) of this rule.

PART 7. CONTINUING EDUCATION

R 338.11701 Renewal of a dentist license; dental specialist; special retired volunteer dentist license; requirements; applicability.

Rule 1701. (1) This rule applies to applications for the renewal of a dentist license under sections 16201(1) and (2) and 16184(2) and (3) of the code.

(2) An applicant for a license renewal who has been licensed for the 3-year period immediately preceding the expiration date of the license shall comply with both of the following:

(a) Possess current certification in basic or advanced cardiac life support from an agency or organization that grants certification pursuant to standards substantially equivalent to the standards adopted in R 338.11705(3).

(b) Complete at least 1 continuing education credit in pain and symptom management in each renewal period. Continuing education credits in pain and symptom

management may include, but are not limited to, courses in behavior management, psychology of pain, pharmacology, behavior modification, stress management, clinical applications, and drug interactions.

(3) In addition to the requirements of subrule (2) of this rule, an applicant for a dentist license shall comply with all of the following:

(a) Complete not less than 60 hours of continuing education approved by the board during the 3-year period immediately preceding the application for renewal.

(b) Complete a minimum of 20 hours of the 60 hours required of approved continuing education in programs directly related to clinical issues such as delivery of care, materials used in delivery of care, and pharmacology.

(c) Complete a minimum of 20 hours of the required 60 hours of approved continuing education by attending live courses or programs that provide for direct interaction between faculty and participants, including, but not limited to, lectures, symposia, live teleconferences, workshops, and participation in volunteer clinical services provided for in R 338.11703(o). These courses, with the exception of the volunteer clinical services, may be counted toward the required courses in clinical issues such as delivery of care, materials used in delivery of care, and pharmacology.

(4) In addition to the requirements of subrules (2) and (3) of this rule, a dental specialist shall complete 20 hours of the 60 required board-approved continuing education hours in the dental specialty field in which he or she is certified within the 3-year period immediately preceding the renewal application.

(5) In addition to the requirements of subrule (2) of this rule, an applicant for a special retired dentist license shall comply with all of the following:

(a) Complete not less than 40 hours of continuing education acceptable to the board during the 3-year period immediately preceding the date of the application.

(b) Complete a minimum of 14 hours of the required 40 hours of approved continuing education in programs directly related to clinical issues such as delivery of care, materials used in delivery of care, and pharmacology.

(c) Complete a minimum of 14 hours of the required 40 hours of approved continuing education by attending live courses or programs that provide for direct interaction between faculty and participants, including but not limited to, lectures, symposia, live teleconferences, workshops, and providing volunteer clinical services provided for in R 338.11703(o). These courses, with the exception of the volunteer clinical services, may be counted toward the required courses in clinical issues such as delivery of care, materials used in delivery of care, and pharmacology.

(d) Comply with the conditions for renewal in section 16184(2) of the code, MCL 333.16184(2).

(6) The submission of the online renewal shall constitute the applicant's certification of compliance with the requirements of this rule. The board may require an applicant or a licensee to submit evidence to demonstrate compliance with this rule. The applicant or licensee shall maintain evidence of complying with the requirements of this rule for a period of 4 years from the date of the submission for renewal.

R 338.11703 Acceptable continuing education for dentists; limitations.

Rule 1703. The board shall consider any of the following as acceptable continuing education for dentists:

(a) Successful completion of a course or courses offered for credit in a dental school or a hospital-based dental specialty program approved by the board pursuant to R 338.11301, a dental hygiene school approved by the board pursuant to R 338.11303, or a dental assisting school approved by the board pursuant to R 338.11307. Ten hours of continuing education shall be credited for each quarter credit earned and 15 hours shall be credited for each semester credit earned, without limitation.

(b) Satisfactory participation for a minimum of 7 months in a postgraduate dental clinical training program in a hospital or institution that is approved by the board under R 338.11301. A maximum of 20 credit hours per calendar year may be earned for participation.

(c) Attendance at a continuing education program offered by a dental school or a hospital-based dental specialty program approved by the board pursuant to R 338.11301, a dental hygiene school approved by the board pursuant to R 338.11303, or a dental assisting school approved by the board under R 338.11307. One hour of continuing education shall be credited for each hour of program attendance, without limitation.

(d) Attendance at a continuing education program approved by the board under R 338.11705. One hour of continuing education shall be credited for each hour of program attendance, without limitation.

(e) Development and presentation of a table clinical demonstration or a continuing education lecture offered in conjunction with the presentation of continuing education programs approved by the board. One hour of continuing education shall be credited for each hour devoted to the development and initial presentation of a table clinical demonstration or a continuing education lecture, with a maximum of 10 hours of continuing education credited for the development and presentation of the same table clinical demonstration or lecture.

(f) The initial publication of an article or articles related to the practice of dentistry, dental hygiene, or dental assisting in the journal of an accredited school of dentistry, dental hygiene, or dental assisting or a state or state component association of dentists, dental specialists, dental hygienists, or dental assistants. Twelve hours of continuing education shall be credited.

(g) The initial publication of an article or articles related to the practice of dentistry, dental hygiene, or dental assisting in a textbook or in the journal of a national association of dentists, dental specialists, dental hygienists, or dental assistants. Twenty-five hours of continuing education shall be credited.

(h) Reading articles, viewing, or listening to media, other than online programs, devoted to dental, dental hygiene, or dental assisting education. One hour of continuing education shall be credited for each hour devoted to such education, with a maximum of 10 hours credited under this category.

(i) Participation in board-approved, continuing education activities offered online, through electronic media, or both. A maximum of 30 hours of continuing education may be earned.

(j) Successful completion of an American board specialty examination. Ten hours of continuing education shall be credited in the year in which the applicant is advised he or she passed the examination.

(k) Renewal of a license held in another state that requires continuing education for license renewal that is substantially equivalent to that required in these rules if the applicant resides and practices in another state. For a dentist, 60 hours of continuing education shall be credited for evidence of current licensure in another state.

(l) Attendance at a continuing education program which has been granted approval by another state board of dentistry. One continuing education hour may be granted for each hour of program attendance.

(m) Attendance at dental-related programs which shall be documented by the licensee as relevant to health care and advancement of the licensee's dental education. The board shall deny a request for approval if the continuing education request does not meet the criteria used by the board for approval of continuing education hours. Ten hours of continuing education shall be credited.

(n) Attendance at programs related to topics approved for category 1 continuing education by the boards of medicine or osteopathic medicine. A maximum of 30 credit hours per renewal period for a dentist may be earned.

(o) Dentists and retired volunteer dentists may receive continuing education credit for providing volunteer clinical dental services within this state as provided in this rule.

(i) A dentist or retired volunteer dentist may provide volunteer clinical care at a board-approved program that complies with both of the following:

(A) Is a public or non-profit entity, program, or event, or a school or nursing home.

(B) Provides clinical dental services to the indigent or dentally underserved populations.

(ii) A licensee shall not receive direct or indirect remuneration of any kind, including, but not limited to, remuneration for materials purchased or used.

(iii) The program shall require a licensee to sign in and sign out daily upon commencement and termination of the provision of services.

(iv) Continuing education credit shall be calculated at the ratio of 1 continuing education credit hour for each 120 minutes of patient services.

(v) A dentist may earn a maximum of 20 volunteer credit hours per renewal period. A retired volunteer dentist may earn a maximum of 26 volunteer credit hours per renewal period.

(vi) Board-approved sponsors that provide volunteer continuing education opportunities under this rule shall comply with all of the following:

(A) Apply to the department to obtain approval as a sponsoring entity, pursuant to R 338.11705(7).

(B) Retain patient records.

(C) Retain documentation of all volunteer assignments and the hours of service provided.

(D) Provide the records and a copy of the assignments and the hours of service provided to the board upon request.

(E) Provide each licensee with verification of volunteer work performed by the licensee upon completion of the licensee's service.

(vii) The board may revoke the approval status of any entity that fails to comply with these rules.

(viii) A licensee who is employed by an entity that provides dental services to the indigent or dentally underserved populations may not obtain credit for volunteer services

at the entity at which the licensee is employed, but may receive credit for qualified volunteer services at other approved entities.

(ix) A dentist or retired volunteer dentist who provides volunteer clinical dental services shall maintain proof of these services for at least 4 years.

(x) A licensee who fails to maintain accurate and complete records of services rendered may not receive continuing education credit for those services.

(xi) A licensee under a board order or agreement that provides for the provision of volunteer services may not receive continuing education credit for the provision of the volunteer services.

(xii) A dentist with a specialty license issued from this state shall limit volunteer clinical dental services to the specialty area in which the dentist is licensed.

(xiii) Continuing education credit hours earned through volunteer clinical work shall not count toward the required 20 continuing education hours for dentists or 14 continuing education hours for retired volunteer dentists on clinical issues such as delivery of care, materials used in the delivery of care, and pharmacology, or the 1 continuing education hour required for pain management, as required by R 338.11701(2).

R 338.11704 License renewal for registered dental hygienists and registered dental assistants; requirements; applicability.

Rule 1704. (1) This rule applies to applications for the renewal of a registered dental hygienist license or a registered dental assistant license under section 16201(1) and (2) of the code, MCL 333.16201(1) and (2).

(2) An applicant for license renewal who has been licensed for the 3-year period immediately preceding the expiration date of the license shall possess current certification in basic or advanced cardiac life support for an agency or organization that grants certification pursuant to standards substantially equivalent to the standards adopted in R 338.11705(3) and shall comply with the following requirements, as applicable:

(a) For a registered dental hygienist license or a registered dental assistant license, the applicant shall have completed not less than 36 hours of continuing education acceptable to the board during the 3-year period immediately preceding the date of the application. Each licensee shall complete a minimum of 12 hours of the required 36 hours of approved continuing education in programs directly related to clinical issues such as delivery of care, materials used in the delivery of care, and pharmacology.

(b) For a registered dental hygienist license or a registered dental assistant license, the applicant shall complete a minimum of 12 hours of the required 36 hours of approved continuing education by attending live courses or programs that provide for direct interaction between faculty and participants, including, but not limited to, lectures, symposia, live teleconferences, workshops and provision of volunteer clinical services provided for in R 338.11704a. These courses, with the exception of the volunteer clinical services, may be counted toward the required courses in clinical issues such as delivery of care, materials used in delivery of care, and pharmacology.

(c) Applicants holding both a registered dental hygienist license and a registered dental assistants license shall have completed not less than a total of 36 hours of continuing education acceptable to the board during the 3-year period immediately

preceding the date of the application. The 36 hours shall include not less than 12 hours devoted to registered dental hygienist functions, and not less than 12 hours devoted to registered dental assistants functions.

(d) If an organized continuation course or program is offered in segments of 50 to 60 minutes each, 1 hour of credit shall be given for each segment.

(e) Each licensee shall complete at least 1 continuing education credit in pain and symptom management in each renewal period. Continuing education credits in pain and symptom management may include, but are not limited to, courses in behavior management, psychology of pain, pharmacology, behavior modification, stress management, clinical applications, and drug interactions.

(3) The submission of the online renewal shall constitute the applicant's certification of compliance required by this rule. The board may require an applicant or licensee to submit evidence to demonstrate compliance with this rule. The applicant or licensee shall maintain evidence of complying with the requirements of this rule for a period of 4 years from the date of the submission for renewal.

R 338.11704a Acceptable continuing education for registered dental hygienists and registered dental assistants; limitations.

Rule 1704a. The board shall consider any of the following as acceptable continuing education for registered dental hygienists and registered dental assistants:

(a) Successful completion of a course or courses offered for credit in a dental school or hospital-based dental specialty program approved by the board under R 338.11301, a dental hygiene school approved by the board under R 338.11303, or a dental assisting school approved by the board under of R 338.11307. Ten hours of continuing education shall be credited for each quarter credit earned and 15 hours shall be credited for each semester credit earned, without limitation.

(b) Attendance at a continuing education program offered by a dental school or hospital-based dental specialty program approved by the board under R 338.11301, a dental hygiene school approved by the board under R 338.11303, or a dental assisting school approved by the board under R 338.11307. One hour of continuing education shall be credited for each hour of program attendance, without limitation.

(c) Attendance at a continuing education program approved by the board under R 338.11705. One hour of continuing education shall be credited for each hour of program attendance, without limitation.

(d) Development and presentation of a table clinic demonstration or a continuing education lecture offered in conjunction with the presentation of continuing education programs approved by the board. One hour of continuing education shall be credited for each hour devoted to the development and initial presentation of a table clinic demonstration or a continuing education lecture, with a maximum of 10 hours of continuing education credited for the development and presentation of the same table clinic demonstration or continuing education lecture.

(e) The initial publication of an article or articles related to the practice of dentistry, dental hygiene, or dental assisting in the journal of an accredited school of dentistry, dental hygiene, or dental assistant, or in a state or state component association of dentists,

dental specialists, dental hygienists, or dental assistants. Twelve hours of continuing education shall be credited.

(f) The initial publication of an article or articles related to the practice of dentistry, dental hygiene, or dental assisting in a textbook or in the journal of a national association of dentists, dental specialists, dental hygienists, or dental assistants. Twenty-five hours of continuing education shall be credited.

(g) Participation in board-approved, continuing education activities offered online, through electronic media, or both. A maximum of 18 hours of continuing education may be earned.

(h) Reading articles and viewing or listening to media, other than online programs, devoted to dental, dental hygiene, or dental assisting education. One hour of continuing education shall be credited for each hour of participation with a maximum of 10 hours credited under this category.

(i) Renewal of a license held in another state that requires continuing education for license renewal that is substantially equivalent to that required in these rules if the applicant resides and practices in another state. For a registered dental hygienist or registered dental assistant, 36 hours of continuing education shall be credited for evidence of current licensure in such other state.

(j) For a registered dental assistant, meeting the requirements for recertification in R 338.11705(3). Thirty-six hours of continuing education shall be credited for evidence of current certification, other than emeritus certification, by the dental assisting national board.

(k) Attendance at a continuing education program which has been granted approval by another state board of dentistry. One continuing education contact hour may be granted for each hour of program attendance.

(l) Attendance by dental hygienists or registered dental assistants at dental related programs which are documented by the licensee as relevant to health care and advancement of the licensee's dental education. The board shall deny a request for approval if the continuing education request does not meet the criteria used by the board for approval of continuing education sponsors. Six hours of continuing education credited.

(m) Attendance at programs related to specific dental specialty topics approved for category 1 continuing education by the boards of medicine or osteopathic medicine. A maximum of 18 credit hours per renewal period may be earned.

(n) Dental hygienists and dental assistants may receive continuing education credit for providing volunteer clinical dental hygiene or assistant services within the state as provided in this rule.

(i) A dental hygienist or dental assistant may provide volunteer clinical care at a board-approved program that complies with both of the following:

(a) Is a public or non-profit entity, program, or event, or a school or nursing home.

(b) Provides clinical dental services to the indigent or dentally underserved populations.

(ii) A licensee shall not receive direct or indirect remuneration of any kind, including, but not limited to, remuneration for materials purchased or used.

(iii) The program shall require a licensee to sign in and sign out daily upon commencement and termination of the provision of services.

(iv) Continuing education credit shall be calculated at the ratio of 1 continuing education credit hour for each 120 minutes of patient services.

(v) A dental hygienist or dental assistant may earn a maximum of 12 volunteer credit hours per renewal period.

(vi) Board-approved sponsors that provide volunteer continuing education opportunities under this rule shall comply with all of the following:

(a) Apply to the department to obtain approval as a sponsoring entity, pursuant to R 338.11705(7).

(b) Retain patient records.

(c) Retain documentation of all volunteer assignments and the hours of service provided.

(d) Provide the records and a copy of the assignments and the hours of service provided to the board upon request.

(e) Provide each licensee with verification of volunteer work performed by the licensee upon completion of the licensee's service.

(vii) The board may revoke the approval status of any entity that fails to comply with these rules.

(viii) A licensee who is employed by an entity that provides dental services to the indigent or dentally underserved populations may not obtain credit for volunteer services at the entity at which the licensee is employed, but may receive credit for qualified volunteer services at other approved entities.

(ix) A licensee who provides volunteer dental services shall maintain proof of such services for at least 4 years.

(x) A licensee who fails to maintain accurate and complete records of services rendered may not receive continuing education credit for those services.

(xi) A licensee under a board order or agreement that provides for the provision of volunteer services may not receive continuing education credit for the provision of the volunteer services.

(xii) Continuing education credit hours earned through volunteer clinical work shall not count toward the required 12 continuing education hours on clinical issues such as delivery of care, materials used in the delivery of care, and pharmacology, or the 1 continuing education hour required for pain management, as required by R 338.11704(2).

R 338.11705 Standards and requirements; adoption by reference.

Rule 1705. (1) The board approves and adopts by reference the standards and criteria of the national sponsor approval program of the academy of general dentistry for approval of continuing education sponsoring organizations, institutions, and individuals, which are set forth in the publication entitled "Program Approval for Continuing Education (PACE), Program Guidelines, Revised April 2013." Information on the pace standards and criteria is available at no cost from the Academy of General Dentistry, 211 East Chicago Avenue, Suite 900, Chicago, IL 60611 or from the academy's internet website at <http://www.agd.org>. A copy of the guidebook is available for inspection and distribution at no cost from the Michigan Department of Licensing and Regulatory Affairs, Bureau of Health Care Services, 611 West Ottawa, P.O. Box 30670, Lansing, MI 48909. Approval of a sponsor by the academy of general dentistry committee on national sponsor approvals or by any academy of general dentistry constituent academy shall constitute prima facie evidence that the sponsor meets the standards and criteria adopted by the board.

(2) The board approves and adopts by reference the standards and criteria of the National Sponsor Approval Program of the American Dental Association Continuing Education Recognition Program (ADA CERP) for approval of continuing education sponsoring organizations, which are set forth in the publication entitled "ADA CERP Recognition Standards, Procedures, and Recognition Process. Revised 2013." A copy of

this publication may be obtained at no cost from the association at ADA CERP 211 E. Chicago Avenue, Chicago, IL 60611-2678 or from the association's internet website at <http://www.ada.org/381.aspx>. A copy of the publication is available for inspection and distribution at cost from the Department of Licensing and Regulatory Affairs, Bureau of Health Care Services, 611 West Ottawa, P.O. Box 30670, Lansing, MI 48909. Approval of a sponsor by the ADA CERP or by any constituent group of ADA CERP shall constitute prima facie evidence that the sponsor meets the standards and criteria adopted by the board.

(3) The board approves and adopts by reference the requirements for recertification established by the dental assisting national board and set forth in the publication entitled "DANB's 2013 Recertification Requirements." A copy of the publication may be obtained at no cost from the Dental Assisting National Board, 444 N. Michigan Avenue, Suite 900, Chicago, IL 60611 or from the national board's internet website at <http://www.danb.org>. A copy of the guidelines and requirements are available for inspection and distribution at cost from the Department of Licensing and Regulatory Affairs, Bureau of Health Care Services, 611 West Ottawa, P.O. Box 30670, Lansing, MI 48909.

(4) The board shall consider any continuing education program that is offered by a sponsor that applies to the board and demonstrates it substantially meets the standards and criteria adopted by the board as a continuing education program approved by the board.

(5) The board adopts by reference the standards for certification in basic and advanced cardiac life support set forth by the American heart association in the standards and guidelines for cardiopulmonary resuscitation and emergency cardiac care for professional providers and published in "2010 American Heart Association Guidelines for Cardiopulmonary Resuscitation and Emergency Cardiovascular Care ("Circulation," Volume 122, Issue 18 Supplement 3, 2, 2010.) A copy of the guidelines for cardiopulmonary resuscitation and emergency cardiovascular care may be obtained at no cost from the American Heart Association's website at http://circ.ahajournals.org/content/122/18_suppl_3. A copy of this document is available for inspection and distribution at cost from the Department of Licensing and Regulatory Affairs, Bureau of Health Care Services, 611 West Ottawa, P.O. Box 30670, Lansing, MI 48909.

(6) The board may approve a state, regional, or national dental organization as an acceptable provider of continuing education courses if the organization presents standards, criteria, and course monitoring procedures for its courses that are acceptable to the board. The board may withdraw the approval if it determines the organization is not complying with the standards and criteria presented. The standards, criteria, and monitoring procedures will be retained in the department's board files. An organization shall update its file with the department every 5 years.

(7) A sponsor seeking board approval to offer volunteer continuing education opportunities under R 338.11703(o) or R 338.11704a(n), or both, shall submit documentation evidencing compliance with the requirements of R 338.11703(o) or R 338.11704a(n), or both.

PART 8. DENTAL AMALGAM

R 338.11801 Definitions.

Rule 1801. (1) As used in these rules:

(a) "Amalgam separator" means a device designed to remove dental amalgam waste particles from dental office wastewater.

(b) "Code" means 1978 PA 368, MCL 333.1101 to 333.25211.

(c) "Dental amalgam" means a mixture of mercury and other metals used as a dental restorative material.

(d) "Dental amalgam waste" means waste from a dental office containing any of the following:

(i) Contact amalgam waste, which means dental amalgam that has been in contact with the patient including, but not limited to, extracted teeth with dental amalgam restorations; carving scrap collected at chair-side; and dental amalgam captured by chair-side traps, vacuum pump filters, amalgam separators, or other dental amalgam capture devices.

(ii) Non-contact amalgam scrap, which means dental amalgam that has not been in contact with the patient including, but not limited to, excess dental amalgam mix remaining at the end of a dental procedure.

(iii) Empty amalgam capsules, which means individually dosed containers left over after mixing precapsulated dental amalgam.

(iv) Dental amalgam that may have accumulated in the plumbing system or that is found in other areas of a dental office.

(e) "Dentist," for the purposes of these rules, means an individual licensed under section 16611 of the code who uses or removes dental amalgam or who owns or operates a dental office that generates dental amalgam waste.

(f) "Department" means the department of licensing and regulatory affairs.

(g) "Discharge" means the release of any dental amalgam waste into the environment. This includes any releases to land, ground or surface waters, septic systems, or wastewater treatment systems.

(h) "Holding tank" means a closed, watertight, sealed structure designed and used to receive and store wastewater. Holding tanks are designed and constructed for ultimate disposal of collected wastewater at another site.

(2) Terms defined in the code have the same meanings when used in these rules.

History: 2012 AACCS.

R 338.11811 Amalgam separator; installation and operation; requirements.

Rule 1811. (1) On or before December 31, 2013, a dentist shall install, or shall have installed, an amalgam separator on each wastewater drain in his or her dental office that is used to discharge dental amalgam waste. In addition to meeting the requirements of the code and these rules, a dentist who is required to install an amalgam separator shall comply with all of the following:

- (a) Install an amalgam separator that meets the requirements of R 338.11813.
- (b) Install, operate, and maintain the amalgam separator according to the manufacturer's instructions.
- (c) Ensure the installed amalgam separator is properly sized to accommodate maximum dental amalgam wastewater flow rates at the dental office. The maximum allowable flow rate through an amalgam separator at a dental office shall not exceed the maximum flow rate capacity at which the amalgam separator was tested under R 338.11813(1)(a).
- (d) Ensure that all wastewater from the dental office containing dental amalgam waste passes through an installed and properly functioning and maintained amalgam separator before being discharged.
 - (2) Subrule (1) of this rule shall not apply to any of the following:
 - (a) Oral and maxillofacial surgeons.
 - (b) Oral and maxillofacial radiologists.
 - (c) Oral pathologists.
 - (d) Orthodontists.
 - (e) Periodontists.
 - (f) Dentists while providing services in a dental school, in a hospital, or through a local health department.
 - (g) Dentists who install and use a holding tank and do not discharge amalgam waste.

History: 2012 AACCS.

R 338.11813 Amalgam separator; requirements.

Rule 1813. (1) An amalgam separator that is installed in a dental office under R 338.11811 shall meet all of the following requirements:

- (a) Be certified as passing the international organization for standardization (iso) 11143:2008 standard for evaluating amalgam separators.
- (b) Have a removal efficiency of not less than 95% as determined by the testing required under subdivision (a) of this subrule, based on the overall average of the 3 empty and the 3 simulated full test results.
- (c) Be tested and certified by any of the following:
 - (i) SP technical research institute of Sweden.
 - (ii) Tuv nord, Germany.
 - (iii) NSF international.
- (iv) Both of the following:
 - (A) A testing laboratory accredited by an accreditation body that is a signatory to the international laboratory accreditation cooperation's mutual recognition arrangement and has a scope of accreditation that includes iso 11143.
 - (B) A certification body accredited by an accreditation body that is a signatory to the international accreditation forum's multilateral recognition arrangement and has a scope of accreditation that includes iso 11143.
- (2) Any amalgam separator that meets the requirements of subrule (1) of this rule shall qualify as an amalgam separator approved by the board.

History: 2012 AACCS.

R 338.11815 Collection, disposal, and recycling of dental amalgam waste; requirements.

Rule 1815. (1) A dentist shall comply with all of the following:

- (a) Use amalgam only in a precapsulated form.
 - (b) Salvage, store, and recycle non-contact and contact dental amalgam materials, including empty amalgam capsules. As used in this rule and R 338.11817, “recycle” or “recycling” means sending mercury or dental amalgam waste to either the contracted separator company or a facility in the United States that will reclaim or distill the mercury for reuse. “Recycle” or “recycling” shall not include any of the following:
 - (i) The on-site processing of mercury or dental amalgam waste.
 - (ii) The sale, donation, or exchange of mercury or dental amalgam waste through internet lists.
 - (iii) The sale or donation of mercury or dental amalgam waste to any individual or company for any other reuse purpose.
 - (c) Collect and recycle extracted teeth or portions of teeth that contain dental amalgam materials.
 - (d) Store all dental amalgam waste in enclosed and structurally sound containers until a sufficient amount has been collected for shipment to a reclamation facility or recycler or at a minimum, recycled annually.
 - (e) Label all containers holding dental amalgam waste. The label shall include, at a minimum, the title “dental amalgam waste for recycling” and the date the waste was initially placed in the container.
 - (f) Use chair-side traps to retain amalgam and recycle the content.
 - (g) Recycle all amalgam materials collected in amalgam separators, vacuum pump filters, chair-side traps or other waste water processing devices.
 - (h) Ensure that the separators operate properly and do not become full and bypass. This may include inspecting the separators annually, halfway through the operating life, or as required by the manufacturer.
 - (i) Follow the steps for the cleanup of mercury spills as recommended by the department at www.michigan.gov/mercury.
- (2) A dentist shall not do any of the following:
- (a) Store bulk elemental mercury that is not in capsule form.
 - (b) Put dental amalgam waste down a toilet or drain.
 - (c) Put dental amalgam waste or empty amalgam capsules into trash containers, or biohazard or infectious waste bags.
 - (d) Disinfect teeth or any item containing dental amalgam by autoclaving or using heat.
 - (e) Use cleaners containing bleach or chlorine to flush drains or wastewater lines.
- (3) A dentist shall train and have written procedures for training dental office staff who manage or dispose of dental amalgam waste to ensure compliance with this rule.

(4) This rule shall not apply to a dentist listed in R 338.11811(2)(a) to (f). A dentist who installs and uses a holding tank and does not discharge amalgam waste shall comply with the requirements of subrule (1), (2), and (3) of this rule, as applicable.

History: 2012 AACS.

R 338.11817 Record keeping.

Rule 1817. (1) A dentist who is subject to the provisions of R 338.11811 shall maintain records at his or her dental office that include all of the following:

- (a) Type of amalgam separator installed, including the manufacturer and model.
- (b) Date the amalgam separator became operational.
- (c) Documentation verifying that the amalgam separator meets the requirements of R 338.11813.

(d) Documentation of the manufacturer's instructions for the operation and maintenance of the amalgam separator.

(e) Service records for each amalgam separator in use at the dental office that includes all of the following:

- (i) Dates of maintenance.
- (ii) Dates separator contents were recycled.
- (iii) Name of the staff or contractor performing the service.
- (f) Documentation verifying that the dentist disposed of and recycled any dental amalgam waste that was generated from the individual's dental office consistent with the requirements of R 338.11815. The documentation shall include all of the following:

- (i) Name and address of the collection service or recycler.
- (ii) Amount by weight of dental amalgam waste that was collected and the date it was collected or shipped from the dental office for recycling.
