R 339.19023 Experience.

Rule 23. The experience requirements of the act shall be evidenced by either of the following:

(a) Proof of landscape architect certification by the council of landscape architectural registration boards, since the experience requirements are higher than those of this state.

(b) A combination of the following totaling 7 years:

(i) Possession of a baccalaureate degree from a program accredited by the American society of landscape architects. Such degree shall be supported by a program transcript and shall constitute prima facie evidence of 4 years of credit.

(ii) Possession of a master's degree in landscape architecture from a program accredited by the American society of landscape architects which includes the completion of undergraduate prerequisites. Such degree shall be supported by a transcript and shall constitute prima facie evidence of 5 years of credit.

(iii) University-level courses in the subjects included in a landscape architecture degree program accredited by the American society of landscape architects, even though a degree was not awarded, if a transcript is submitted. Partial credit toward the 7-year experience

requirement may be granted by the board for the completion of such courses.

(iv) Professional experience in the actual practice of landscape architecture which is documented by not less than 5 references from persons having knowledge of the applicant's experience. Not less than 3 of the references shall be from registrants who can indicate a knowledge of the applicant's professional expertise. Not less than 2 years of professional experience is required of all applicants, notwithstanding the possession of an advanced degree. References shall not be from a relative or a current board member.
